

## Welcome to *Learn from the Masters – Arranging for two to five parts*

The content of this DVD is organized in two folders as described below. One of the folders also contain information (PDF) concerning the actual folder. *You can also visit [www.stingmusik.se](http://www.stingmusik.se) for further information.*

### **Workbook**

Contains 95 pages as PDF files (A4 or US letter), which can be opened and printed out for your own use in Adobes Reader (can be downloaded from [www.adobe.com](http://www.adobe.com)) .

**Copyright © 2012 Sting Musik**  
All rights reserved

### **Music examples – Textbook**

Contains 155 recorded music examples in CD quality (AIFF), named by page number/example number of the textbook, eg 122\_4 = page 122, example 4. The examples can be played in iTunes (or QuickTime), which can be downloaded from [www.apple.com/downloads](http://www.apple.com/downloads) or Microsoft's Windows Media Player from [www.microsoft.com/downloads](http://www.microsoft.com/downloads).

It is also possible to burn all music examples on CD by importing the AIFF files into iTunes or Windows Media Player, which will divide the 155 tracks into two CD.
